UPDATE TO MEMBERSHIP ON
EPP (Employee Protection Provision)
June 24th, 2015**

This is a follow-up to our last update dated, June 18th, 2015

We have just received word from our lobbyist in Albany informing us that the EPP Bill was passed in the Assembly.

We are half way there and ask the membership to continue to keep the pressure on Senator Flanagan until the Bill is passed at the Senate level.

**Senator Flanagan
(518) 455-2071
Bill Number: S 5984**

We appreciate your continued patience and as always, when new information becomes available we will inform our membership. If we stay united during this important time, I am confident we will succeed in meeting our goal.

Fraternally yours,

Michael Cordiello

President / Business Agent
