

STATEMENT ON ELECTION
Wednesday December 14, 2016

Dear Brothers and Sisters:

On behalf of the Executive Board, I want to thank you for the strong support we received in yesterday's election. As you know by now, our Executive Board was reelected unanimously in an election run by the American Arbitration Association and supervised by the Department of Labor.

We have now had 4 elections in the last 7 years. I doubt there is another union in the United States where the members have had so many opportunities to express their opinions freely at the ballot box. Once again, you have spoken.

We are humbled by the results. Although we are grateful for the outpouring of support, do not think for a minute that we will in any way take time to rest. Quite the contrary. We see the results as a mandate to continue and redouble our efforts on your behalf.

Although we have achieved a great deal in the last few years, in the wake of our battles with Mayor Bloomberg, there is much yet to achieve, at the bargaining table, in grievance hearings, at City Hall, in Albany and in organizing new members. With an energized membership, we are confident that, working together, there are more victories ahead. We pledge to work tirelessly on your behalf and, as always, to seek your input and counsel.

We will not let you down.

I would also like to take this opportunity to wish you, your families, and the entire Local 1181 family a joyous and peaceful holiday season. Thank you again for your support.

In Solidarity,

Michael Cordiello
