

Thank You For Your Dedication

Local 1181 ATU, AFL-CIO, would like to take this opportunity to thank you, the drivers, escorts and mechanics of our local union for your timely attendance and outstanding performance yesterday during treacherous driving conditions throughout the streets of New York City, Long Island & Westchester.

We are well aware of what we are facing during these hazardous conditions as we have all been drivers and escorts at one time or another.

With your continued help and professionalism, we will get through this winter and any other obstacles that may come our way – this is what our ATU Local 1181-1061 family is all about. And we should all be proud to be a part of it!

Again, on behalf of our local union, thank you for your dedication and professionalism to both the children and to your union.

In Solidarity,

Michael Cordiello
