Dear Members:

As the school year comes to an end and summer approaches, we are continuing to be engaged in negotiations with the N.Y.C. Department of Education Legacy Companies (All American, Logan companies, Hoyt, Pioneer, SNT, ANJ, Boro, IC Bus, IC Escorts) as well as Reliant, B-Alert, Leeser, GVC II Para Transit, Elmont U.F.S.D., First Student and WE Transport. Our common goal is to stay united as we move forward to maintain and protect our job security not only for our future but for the future of our families.

We are committed to moving forward negotiating and enforcing the best contracts possible for our members.

I want to take this opportunity to wish you and your families a safe and healthy summer.
