RE : MV HANDBOOK / SURVEY

DO NOT ACCEPT THE MV HANDBOOK

Your company intends to implement a handbook on Monday, September 19th. ATU Local 1181 is urging its members NOT to sign or accept this handbook. ATU Local 1181 and the ATU International are negotiating with MV over the contents of the handbook, some of which we believe may be in violation of your rights.

DO NOT TAKE PART IN THE SURVEY

The company may use this survey against you.
