

I would like to have a fair procedure to defend myself from Uber's actions against me.

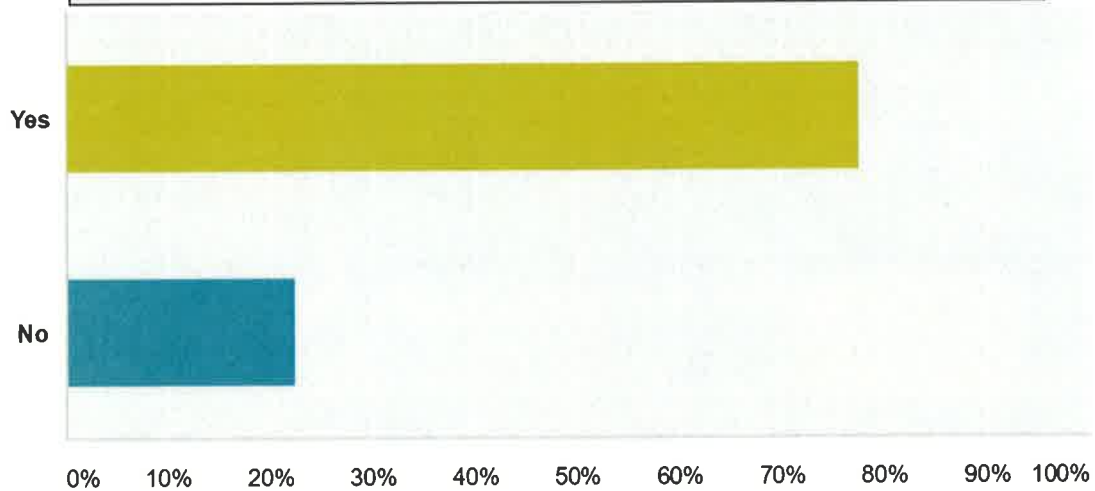

Would you be willing to take action to win improvements in your wages and working conditions?

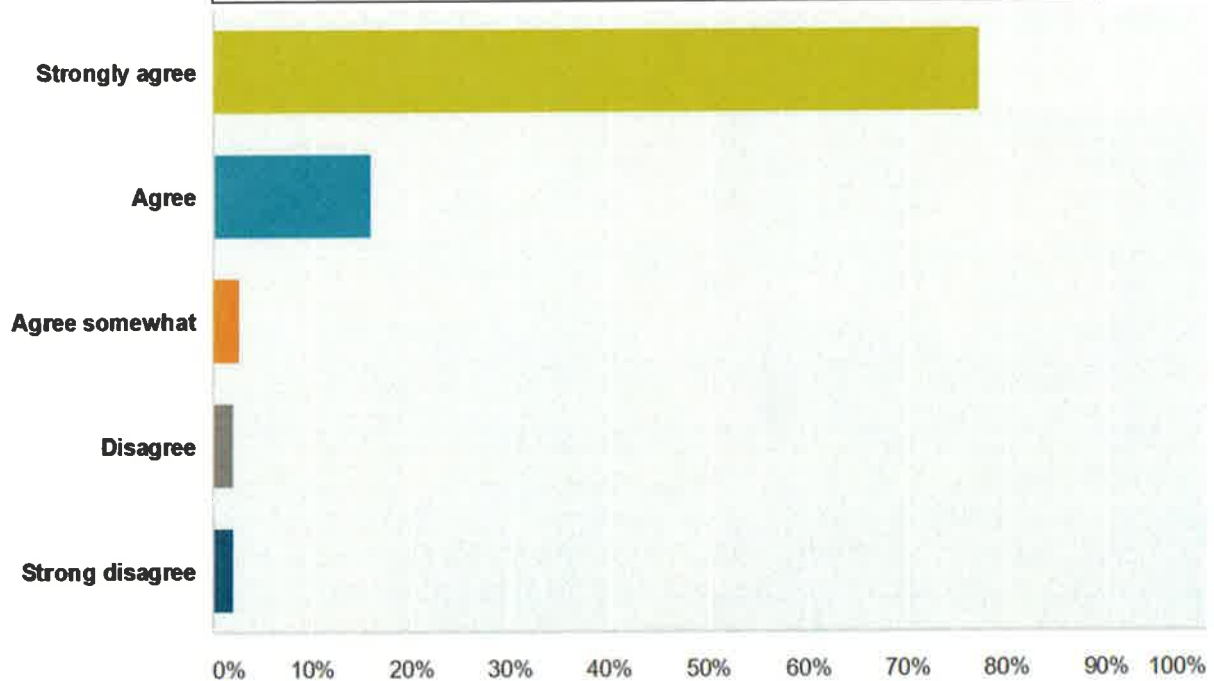

Have you ever been paid less than what you were entitled to by Uber or another rideshare company?

77.62% of surveyed drivers strongly agree to have been underpaid

The wage paid to me by Uber and other rideshare companies is too low.

69.65% of surveyed drivers strongly agree being paid too low

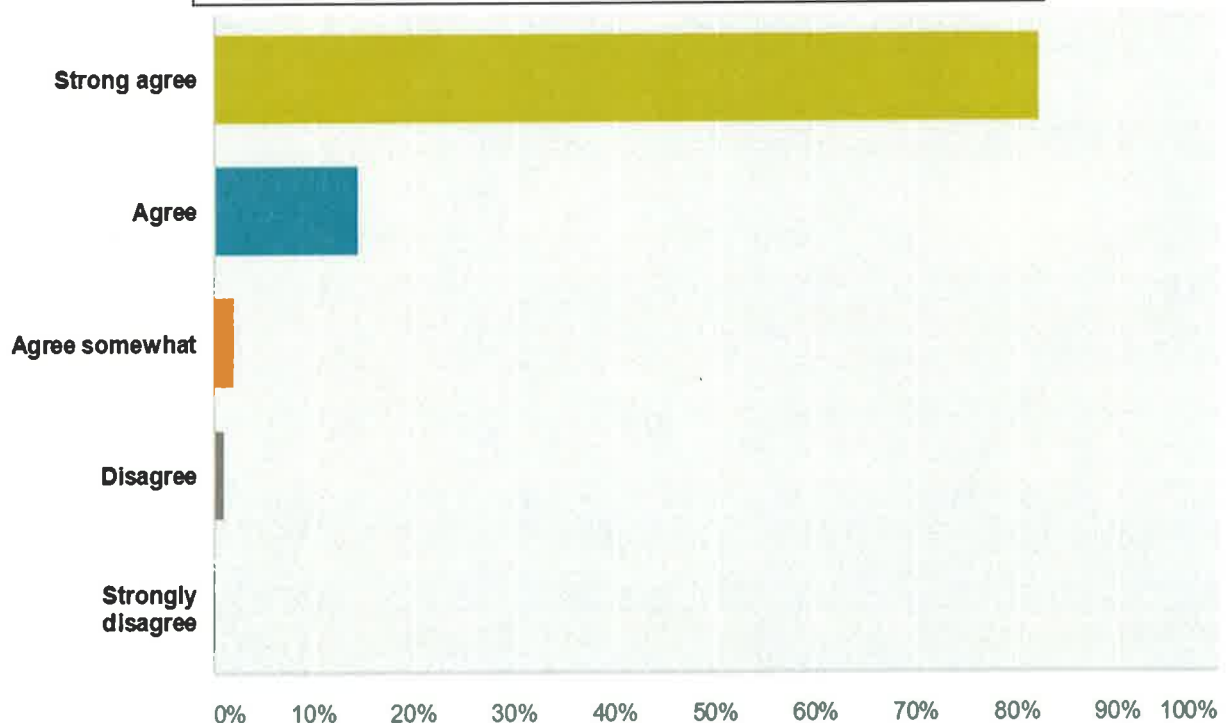

ATU conducted a survey among **16,000**
TLC UBER/LYFT/APP drivers who signed
a union card.

The results can't be ignored

I would like to be covered by a union
contract with Uber and the other rideshare
companies so I could earn more money and
be treated fairly.

82.19% of surveyed drivers strongly want a union

Aren't these enough reasons for the TLC commission to act now and do something to protect the livelihoods of all license drivers in NYC? WE DEMAND ACTION!
