ATU-TLC/Uber & Lyft
Campaign

Dear TLC Drivers:

As you all know TLC recently sent a notification to all drivers informing them of a hearing the TLC will conduct for the drivers to voice their concerns. The hearing can impact you economically in a positive way if we participate.

Amalgamated Transit Union (ATU) Local 1181 has been involved with the organization of drivers over the last 14 months. To date, more than 16,000 drivers signed up. From Albany to City Hall ATU Local 1181 has been involved and committed in the fight for the rights of drivers, striving to bring justice and equality for all TLC drivers.

We are hereby inviting you to attend the hearing at the TLC Commissioner's Office. Please see details below.

**THURSDAY, APRIL 6th, 2017 9:00AM
33 BEAVER STREET - 19TH FLOOR
NEW YORK CITY, NY**

We will meet in front of the building at 9:00am - the hearing begins at 10:00am and will remain open until the all voices have been heard.

This is an important hearing and an opportunity drivers cannot afford to miss. Be part of the process -- Now is your chance to put your voice alongside our fight. Be heard for the benefit of the driver community. Take control of your own destiny....

SEE YOU ON APRIL 6TH

Sincerely yours:
