WAGE ACCRUALS
June 12, 2020**

Brothers and Sisters:

I am writing to you today to give you an update on the status of this local union as it relates to the wage accruals.

As you are aware, as in the past, you would be receiving your wage accrual checks with your second paycheck in June. We have had several conversations over this matter with the owners of the following companies: Boro, SNT, I.C. Bus, Hoyt Transportation, Logan companies and Pioneer Transportation. As of today, we have been notified by these companies that although they recognize that they will have to pay your wage accrual, they will not be paying the wage accruals at this time.

I and your Executive Board, have decided that we will be taking these companies to arbitration.

Once we have additional information, you will be informed.

Be well, stay safe.

In Solidarity,

**Michael Cordiello
