

To: All Members of ATU Local 1181-1061

From: Jean Claude Calixte, Financial Secretary-Treasurer

Date: June 16, 2022

Subj.: Election for ATU 60th Convention Delegates

We are requesting nominations for the 60th ATU International Convention of Delegates to be held from September 19th – 23rd, 2022. Anyone interested in running for convention delegate please **PRINT your name on the attached notice.**

Pursuant to our International Constitution and General By-Laws, election for Convention Delegates must be held six (6) weeks prior to the Convention. In order to run, you must be a member in continuous good standing of the Local Union for two (2) years.

The Executive Board by virtue of their elected positions are convention delegates; our Local is entitled to a total of 33 convention delegates. There will be an election held for the other 20 positions, plus 4 alternates. The Executive Board shall determine how many delegates may attend the convention.

Nominations do not need a second and those wishing to nominate in person may come to the union office by June 24, 2022. There will be a posting over the next couple of days with information just described to you.

Election day will be held on August 5, 2022 and will be conducted by the American Arbitration Association (AAA). After nominations are received, Financial Secretary-Treasurer, Jean Claude Calixte will verify eligibility and contact all the nominees received by this Local to verify their intent to run. Those names will then be forwarded to AAA to be placed on a ballot.

The Constitution provides where two (2) or more positions as delegates to a Convention are to be filled, then all nominated members' names shall appear on the same ballot in alphabetic order, and the members receiving the most votes in order shall be elected delegates to that Convention (i.e., eleven delegates to be elected, top eleven vote getters are elected). This procedure is in total compliance with the Constitution of the Amalgamated Transit Union.

NOTE:

Ballots will be mailed on July 12, 2022, to the last known address on file with this Local Union. Ballots must be received by the American Arbitration Association by mail no later than 9:00am on August 5, 2022.

Again, election day will be held on August 5, 2022 and ballots will be counted on that day by the American Arbitration Association (AAA).
