RE: Exemplary Service

Dear Drivers, Attendants, Dispatchers and All School Bus Company Employees,

We wanted to take a moment to express our sincere gratitude and appreciation for your dedication and professionalism during this school year. We have faced multiple circumstances that have required you all to step up in the face of adversity, and you have all done an incredible job for which we are very appreciative.

No circumstance required your dedication and professionalism more than safely getting our students to school and home during the recent treacherous rainfall this past Friday, September 29th. Your commitment to ensuring our students safety is truly commendable, especially when faced with challenging weather conditions. We understand that driving in inclement weather can be particularly demanding, and your efforts did not go unnoticed.

Once again, thank you for your exceptional service ensuring our students safety during challenging times. We appreciate your hard work and commitment, and we are grateful to have you as part of our school community. We look forward to a successful school year, and you are all a big part of it.

Sincerely,

DocuSigned by:
